

The Montana Cabinet Collection

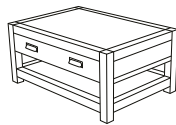

HALO
— ESTABLISHED 1976 —

The Montana Cabinet Collection is a more contemporary offering from Halo, inspired by the arts and crafts movements of the 1900's and reworked to an eclectic mix of modern and traditional. The style of the collection is a chunky look of straight lines with a strong presence. Featuring interesting finger joint detail on each piece and metal cup handles, this range is both stunning and individual.

Caring for your Wood Furniture

All of our wood furniture is finished using either a lacquer or wax, to help protect the wood whilst maintaining its natural beauty.

Lacquered Furniture (Wentworth, Plum, Montana, Antibes, Sharwin, Ashton)

Our lacquered finish is extremely durable, which makes our furniture easy to look after. To keep it looking its best, use a soft, damp cloth and wipe gently without rubbing. Repeat with a dry, soft cloth to complete the cleaning process.
