Specification

Frames: Hand-picked fully seasoned hardwoods from managed sources. All major joints are glued, screwed and stapled for added rigidity. The frames are subjected to tough testing, well in excess of normal domestic use.

Seat suspension: High tensile zig-zag sprung seat platform.

Back suspension: High resilient foam over a tensioned woven elastic webbed platform.

Seat cushion fillings: Fibre in a cambric case as standard or foam core with a thick fibre wrap as an option (chargeable).
Modular and Storage footstools: Foam with fibre wrap only.

Back cushion fillings: Blown fibre in a multi channelled casing.

Inclusive bolsters & scatters: 2 x 18" feather scatters and 2 x feather filled arm pillows on sofas and corner group.

Show wood: Solid Beech available in a light, medium or wenge finish.

Optional extras: 18", 20", 22" & 24" scatter cushions, 22"x24" bolster and 18"x25" lumbar cushion, available with a fibre filling or 100% de-quilled duck feather in a thick down proof case.

Cover: Available as a loose or fixed cover.
Storage footstool: fixed only.

Care: Cushions must be plumped and turned regularly to retain their performance and appearance.

Hand crafted in the UK.
