HIDEAWAY™

- The HideAway™ divan base offers significant increases in storage capacity when compared with traditional drawers.
- All storage areas are concealed behind beautifully-upholstered deep valances, which cover the full height of the divan base. These practical and flexible pleated valances provide an exquisitely tailored finish and attractive detailing, whilst ensuring easy access to stored items.
- The HideAway™ divan base offers a unique choice of hidden storage with either a deep large open cavity across the whole divan, hidden by a large fabric valance, or a choice of drawers / safe, also hidden by a large fabric valance.

DIVAN BASE OPTIONS

SUPERSTORAGE™

- Our SuperStorage™ divan bases provide the ultimate storage solution. Simply lift up the top of the divan, which is hinged to the base, allowing you to use the entire divan base for storage.
- Hydraulic springs make it easy to lift up, even with the mattress in place.
- This provides an excellent solution for smaller bedrooms, as you do not need to allow room to pull out drawers.
- We recommend a maximum load weight of 44kg per unit (88kg if two are linked together).

SPECIAL FEATURES

- For ultimate peace of mind the Yale safe comes accredited with £10,000 valuables protection and £1,000 cash protection.

■ With the under-bed folded away, the Trio Guest Bed is a space saving single bed. The under-bed is raised to the exact single bed height to form twin beds.

■ The two beds can also be zipped together to form a king size (150cm wide – approx. 5') or super king size (180cm wide – approx. 6') bed. The under-bed glides easily out on castors from either side. The spring assisted metal legs allows assembly with little effort and is easy to fold away.

■ There is a choice of comfort levels to suit your needs, with mattresses available as either two pocket sprung mattresses, two open coil mattresses or one of each. All combinations zip together easily.

■ The beds are available in a choice of two sizes – either 75cm (2' 6") by 190cm (6' 3") or 90cm (3') by 190cm (6' 3").

The headboard shown is an optional extra and is available in the same fabric as the divan.
